

CHAPTER 13

REFERENCED DOCUMENTS

SECTION 1301 - GENERAL

1301.1 This chapter lists the codes, standards, and other documents that are referenced in various sections of this Standard. The codes, standards, and other documents are listed herein indicating the promulgating agency of the document, the document identification, the effective date and title, and the section or sections of this Standard that reference the document. Unless indicated otherwise, the first printing of the document is referenced.

1301.2 The application of the referenced documents shall be as specified in Section 102.2.

[Staff note: all section numbers referring to the provisions of the Standard that list the referenced documents will be updated editorially after the Standard is finalized.]
